

Receive \$300 When You Open A New True Checking Account With Monona Bank.

JUST FOLLOW THESE THREE EASY STEPS:

- 1 **OPEN** a True Checking account with at least \$100. We make banking simple with no minimum daily balance requirement and no monthly service charge.
- 2 **START** using at least two other qualified accounts or services which may include: online or mobile banking, debit or credit cards, Bill Pay, and other options.
- 3 **MOVE** your direct deposits and payments, including your payroll or Social Security to your new account. ClickSWITCH makes it easy!

Your \$300 bonus will be deposited into your new non-interest bearing account within 90 days after you complete these three easy steps. Of course, you'll need to keep your account in good standing and actively use your new account and services (5+ transactions per month). We really just want to be your bank. While we truly value our current clients, this special offer is only available to households that have not received a similar bonus in the past and don't currently have a checking account with us. Offer expires on April 30, 2020.
